

Crows' Feat 2025 Farm Share

Come shop the Crows' Feat Farm stand every Friday or Saturday from June 21 through October 4, filling one medium (\$375) or large (\$500) basket each time. That's 16 weekends, but since most people are traveling or busy at least two weekends every summer, we price our share based on 14 visits to the farm.

We notify participants every Thursday what we're harvesting for the weekend, so you can pick and choose how much of each item you'd like. A few items may be subject to limits or priced separately, but most all of our produce is included. You can also pick up your share on Thursday afternoons at the Exeter farmers market.

For questions, contact karen@crowseatfarm.org, or 603-498-6262
